follows:

"I am a native of San Francisco and received my primary education in the schools of South San Francisco. Subsequent to this I received my preparation in the engineering department of the Royal Academy at Clausthal, Germany, and in the Royal Polytechnical School at Hanover, Germany. I am also a licensed land surveyor of the State of California. For more than three years past I have been employed as city engineer of South San Francisco and am also superintendent of streets. I am aware of the amount of the salary paid to the County Surveyor. I feel that I also realize the nature of the duties and responsibilities of the office and I am entirely willing to assume them, if selected by you."

An application was also received from Eric Walz, the city engineer of Burlingame.

Both applications were ordered filed.

A communication was received from F. A. Cunningham, the mayor of South San Francisco, highly recommending George Kneese for the position, should there be a vacancy. It was ordered on motion of MacBain, seconded by Blackburn, that Brown be authorized to install 42 feet of 35-inch culvert in the road of this district.

At the request of the District Attorney it was ordered that the record be so changed as to substitute

the words "purchasing agent" in place of "stenographer" where reference is made to the increase of the salary of Miss Fox, the District Attorney's deputy.

Supervisor Casey submitted a third specification for the paving of the county road from Uncle Tom's Cabin to the northerly limits of South San Francisco, calling for a base of four inches of concrete with a wearing surface of two inches of asphaltic concrete.

The specification was submitted to the advisory board to be reported on during the afternoon.

It was ordered on motion of MacBain, seconded by Casey, that the surveyor make a slight change in the route of the above named road to avoid the Spring Valley property in South San Francisco.

The surveyor presented plans and specifications for a reinforced concrete bridge on the La Honda-San Gregorio road across the creek separating the Third and Fifth townships, the estimated cost of which is \$2570.

On motion of MacBain seconded by Blackburn, the plans and specifications were accepted and the clerk directed to publish a notice calling for bids for the construction of the bridge.

Auditor Underhill appeared before the board and stated that the Auditors' Association of California would meet at Los Angeles on February 10.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

PROGRESSIVES ARE DISCOURAGED.

A report, coming from an authoritative source, that friends of Governor Johnson are planning to place his name on the Republican primary ballot, as a candidate for governor, has further complicated the already complex political situation.

According to the report, the Progressives are discouraged at the registration figures, and the plan to place Johnson on the Republican ballot is for the purpose of discouraging the governor's strength in the Republican party before the November election.

It is no longer a secret that the third party adherents have been dumfounded at the magnitude of the Republican registration, particularly in the Los Angeles region, where Republican registration nearly equal the combined Progressive and Democratic figures.

These figures, together with the declarations of Senators Bristow, La Follette and Cummins, and of Prendergast and Stimson, the Progressive Party and have signed themselves as Republicans, leaves little jurisdiction, it is being pointed out, for the organization of the third party in California. This fact, it is argued, accounts in a large measure for the registration figures.

Experienced politicians are contending that, regardless of the ethics which are involved, in placing Johnson on the Republican ballot, the Governor's friends would be committing a blunder equal to the desertion of La Follette, and the barring of Republicans from voting their party ticket in the presidential election.

Already the opinion is being expressed that of Johnson's friends desire to test their candidate's strength in other than his own party, they could more consistently and with less chance of injury to the progressive cause, make him a candidate on the Democratic ticket rather than of the ballot of the Republican party which he has condemned in unmeasured language, declared to be dead and unfit for the support of right-minded men.

TWO GREAT VOCALISTS

COMING TO STANFORD.

Local music lovers, who are looking forward to Clara Butt's coming concert at the Assembly hall of Stanford University under the auspices of the Peninsula Musical Association, as the most important musical event of the season, will be interested in the following excerpt from a notice given the famous English contralto and her distinguished husband on their appearance in one of our Eastern cities:

"Mrs. Clara Butt, who has been recognized for years as the greatest of all English contraltos, and in many respects the most wonderful of all living singers, sang last evening at the auditorium. No more cordial audience has ever been assembled. Encore followed encore, and after the final number no one would leave his seat until Mrs. Butt had sung an extra song. Except when Schumann-Heyck sang here under the same management, I cannot remember a song recital which has excited such enthusiasm. Mrs. Butt is a most wonderful and unique artist. Her voice is an organ of apparently boundless power and range, and gives the impression of never calling into play more than half of its resources. It has been scientifically calculated to be equal in power to thirty ordinary contraltos. The 'not so true' as an artist as her husband, she is impressive in every thing she does and succeeds in comedy songs as well as in those which are in the realm of more serious moods, with marvelous grace and charm. Here is not one voice only, but is soprano, contralto, tenor and bass in one—the most wonderful human organ I ever have heard."

The program to be given at their concert on the peninsula is as follows:

- (a) Die Mainacht.....Brahms
- (b) Ständchen.....Brahms
- (c) Maedchen mit dem roten Haerchen.....Franz
- (d) Largo al Factotum (Il Barbiere di Siviglia).....Rossini

MR. KENNEDY'S RUMFORD

MADAME CLARA BUTT

- (a) All thro' the Night (old Welsh air).....Brahms
- (b) When Children Play.....Wolff Davies
- (c) She Moved thro' the Fair (old Irish).....Co. Antrim

- (e) Shepherd, See Thy Horse's Foaming Mane (Hungarian folk song).....arranged by Francis Korby

MR. KENNEDY'S RUMFORD

- (a) Redcliffe at Air de Les (L'Enfant Prodigue).....Debussy

PARK COMMISSION WILL

RESUME TREE-PLANTING

The Redwood City Park Commission is busy planning the improvement of the streets for this year. To accomplish the best results it is necessary to have the hearty cooperation of the property owners in those sections that are to be beautified. Suggestions are therefore invited.

Tree-planting has been decided upon in the following sections from the County road west; On Harrison street one block, Jefferson one block, Madison two blocks, Monroe two blocks, Roosevelt as far west as Cleveland, Oak avenue west to Blaine and Redwood avenue to Addison street.

Notices will be sent to the respective property owners and a liberal response is expected as the expense is so nominal when handled in large quantities, that all holders in the district should only be too glad to take advantage and return their acceptance without delay so as not to retard the good work.

Position Wanted—Man and wife want positions on farm or country place. Address A. Johnson, 1916 Green street, San Francisco, 2-7-14

For Rent—Modern 7-room bungalow, corner lot; garage; 5 minutes' walk from depot; \$27.50 per month, water included. Apply to Redwood City Realty Co., 2-7-14

Dress making of all kinds done by Mrs. F. Sullivan, 15 Jefferson street, Redwood City. Prices reasonable.

LOCAL NEWS NOTES.

Mrs. C. L. McCracken left on Thursday for San Mateo to take up her duties as matron of the new Peninsula hospital. Mrs. McCracken has had charge of Dr. Ross' office for the past four years and has helped many of the patients there by her helpful and sympathetic ways. The Peninsula hospital is to be congratulated on having secured so competent a matron.

H. H. Sears, city engineer of Redwood City has been commissioned a scout master by the National Commission of Boy Scouts of America and will start a Scout organization here. The local council is composed of Roy Cloud, president, Chas. Landscheidt and D. W. Williams. A Boy Scout organization has long been needed in Redwood City and it is to be hoped the movement will meet with success.

County Tax and License Collector A. McSweeney will start Monday on his second annual inspection tour of the merchants' and liquor licenses of the county. The trip is made at the direction of the board of supervisors, the object being to see that all stores, hotels and saloons are operating under the proper licenses. Mr. McSweeney will take the coast route first, covering the territory from Salada Beach to Pescadero.

Mr. Knox, proprietor of the Knox Toggery, has rented the vacant store adjoining the toggery and will cut an archway to the new quarters which will be used for the gents' furnishings department. Mr. Knox is to enlarge this line and will stock the store with a complete supply. Owing to the rapidly growing demand for these goods Mr. Knox was compelled to enlarge his quarters. He promises something sensational in his new line of gents' furnishings.

Miss Agnes Kerr, young daughter of Mr. and Mrs. Joseph Kerr of this city, was united in marriage on Thursday at Oakland to A. R. Nichols. The wedding was a quiet affair, only a few relatives and friends attending. Mr. Nichols until recently was the assistant Wells Fargo agent at this place. His home is at Niles. He is an estimable young man, well thought of by his acquaintances. The bride was born in Redwood City and enjoys the esteem of a large circle of friends.

Horace J. Ferrel, who was charged by the late grand jury with the crime of failing to support his wife, was tried before Judge Lampkin on Thursday. He was dismissed and exonerated from the charge, the evidence presented showing that Ferrel was doing all that his means would permit for his wife. Ferrel resides at Daly City and earns \$75 a month, a portion of this he pays for doctor bills and has to live on the remainder of the income. His wife, who is at the county hospital, is given a part of his income. On hearing the evidence the court immediately dismissed the charge.

Several especially good programs at popular prices will be shown at the Bell Theater next week. For this evening there will be a splendid five-reel program, the special feature of which will be "The Gunmaker of Moscow," a two-reel Edison production of a story of Peter the Great. On Sunday evening there will also be a five-reel program, in which will be included a great Keystone comedy. For Wednesday and Thursday evenings the feature will be a three-reel Vitagraph production "The Wreck." On these nights the usual 5 and 10 cent prices will prevail.

ATTORNEY WM. HOFF COOK

ATTACKS LEGALITY OF JURY
The legality of the Juror's of the recent Grand Jury and the right of women to serve as Jurors were attacked Saturday before Superior Judge Buck by William Hoff Cook, attorney for Auditor W. H. Underhill, against whom an accusation was returned.

A few moments after Cook announced that he would test the legality of Juror's, Judge Buck selected a list of eleven women and nineteen men, from which will be drawn the next Grand Jury.
Cook attacks the validity of the accusation on the grounds that men only can serve as grand jurors and that the auditor did keep his books and records as required by law.

The Underhill case was continued for one week. The auditor's counsel is prepared to take the case before the State Supreme Court to test the validity of women Jurors.
The following cities from which the new grand jury will be chosen were selected by Judge Buck: Coima; Lillian G. MacBain, Lomita Park; Charlotte S. Diggs, Lomita Park; Edward R. Poor, Daly City; Henry Geiffuss, Coima; W. J. De Gear, Easton; P. E. Fleming, Rockaway Beach; Thomas L. Hickley, South San Francisco; A. D. Jennings, San Bruno.

Second township—Carrie A. Jury San Mateo; Mamie Shields, San Mateo; Eleanor McCallough, San Mateo; Margaret A. Kinn, San Mateo; Minnie L. Merk, San Mateo; J. P. Rodgers, San Mateo; J. E. Casey, San Mateo; J. D. Daly, San Mateo; M. J. Conway, San Mateo; W. B. McKinnon, San Mateo.

Third township—J. J. Rogers, Redwood City; W. W. Byrne, Woodside; C. J. Bettin, Redwood City; Nellie O'Keefe, Menlo Park; Lottie Heise, Redwood City; Sarah E. Merrill, Redwood City.

Fourth township—A. F. Joseph, Halfmoon Bay; John Kyne, Moss Beach.
Fifth township—Charles E. Steele, Pescadero; T. E. Roe, San Gregorio.

J. Phippen of Mayfield, who recently met with a series of accidents, is said to be improving. On Saturday evening while caring for one of his horses the animal stepped on one of his feet, crushing it badly. While on his way to get treatment for his injury Mr. Phippen fell down a flight of stairs and broke his right ankle. He was then removed to his home and Dr. Ross of Redwood City summoned.—Palo Alto Times

BOARD OF SUPERVISORS

Continued from first page.
February 18, 1914, and 20. He asked that he be authorized to attend the session.

On motion of MacBain the request of the Auditor was granted, he to be allowed his actual expenses.
A petition signed by Carl Krieger and others was received, asking that an additional light be placed on Kelly avenue in the Town of Halfmoon Bay.

On motion of Francis, seconded by MacBain, the request of the petition was granted.
A written report was received from the advisory committee recommending that, should the board see fit to adopt the specifications suggested by Supervisor Casey for the roadway from Thiede Tom's Cabin to South San Francisco, a fourth specification be adopted, calling for a four and one-half inch asphaltic concrete base with one and one-half inch Topeka surface.

The recommendation of the advisory committee was adopted on motion of MacBain, seconded by Francis and it was ordered that bidders be required to make estimates on the four specifications. Brown voted against the motion on the ground that the latter specifications were not as advised by Mr. Loder, the board's consulting engineer.

The Supervisor presented plans and specifications for grading the county road from Edgemark to San Pedro creek and the same were adopted on motion of MacBain, seconded by Casey.
District Attorney Swart reported that with the assistance of Mr. Gish for two weeks he had cleaned up the work of his office and therefore would not require any further help, as had been provided for him.

On motion of MacBain, seconded by Casey, the resignation of Surveyor Noonan was rejected.
P. H. McEvoy appeared before the board and asked if the contracts for the Belmont road and the road from Tunitas to San Gregorio would be awarded at the meeting to be held next Monday.

The Surveyor was not sure that he would have the rights of way secured by that time but was endeavoring to do so.
On motion of Blackburn, seconded by MacBain, the supervisor of the Fifth district was authorized to purchase twenty-five barrels of cement, 500 pounds of blasting powder, 300 caps and 500 feet of fuse for use in his district in roadwork.

Adjourned until Monday, February 9th.

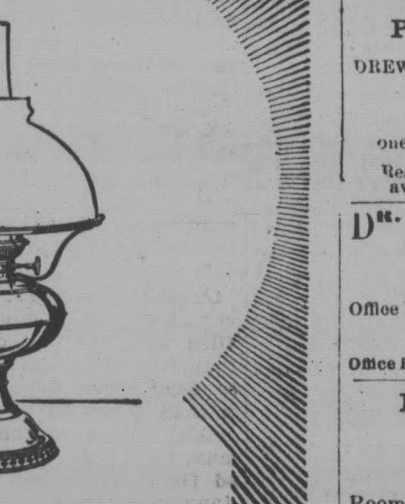

COUGH TWO YEARS OLD

Yields to Vinol. Read Why.
Strong vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your run down condition again?
Mrs. D. A. McGee of Waycross, Ga., says: "I had a chronic cold and cough which kept me awake nights for two years and I felt tired all the time. Vinol cured my cough and I feel stronger in every way."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood building iron added.
Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say.
P. S.—For itching, burning skin try our Sazo Salve. We guarantee it.
